

## Family Outings Guide Cards and Gear

### White Mountain National Forest Guide Cards:

If you will be leading a trip in the White Mountain National Forest, you are required to carry a Guide Card. Each leader per ten participants is required to have a guide card while in the WMNF. Contact Amy Kelliher at [amycbkelliher@gmail.com](mailto:amycbkelliher@gmail.com) if you require a guide card for one of your trips.

### Winter Gear:

Family Outings has snowshoes of all sizes as well as microspikes to loan out. We cannot promise these on our trips, but we do try to make them available for people to try out if they want. If you are interested in using some on your upcoming trip, please contact Dave Beck at [davidbeckrph@comcast.net](mailto:davidbeckrph@comcast.net). These are available to leaders for their AMC trips on a first come-first serve basis.

### Summer Camping Gear:

Family Outings has summer camping gear in two locations: Medford and Acton. We have items such as camp stoves, pop-up tents, pots, utensils, lanterns, etc. Please contact Paul Pichetti at [paul@pickcrane.com](mailto:paul@pickcrane.com) to discuss gear in Medford and Carrie McMillen at [carriemcmillen@gmail.com](mailto:carriemcmillen@gmail.com) to discuss gear in Acton. Camping gear is available to leaders for their AMC trips on a first come-first serve basis.
